

LI LIMOUSINE ASSOCIATION PROM PLEDGE

AGREEMENT BETWEEN PARENTS, STUDENTS & LIMOUSINE COMPANY

Dear Parent or Guardian:

Due to the increase of damage to our limousines during the PROM Season, we feel it is necessary that the parents or guardians, as well as, the young adults using the vehicles, understand that the limousine must return in the same condition as when it arrived.

DRINKING AND DRUGS: Neither is permitted. If alcohol or drugs are found in the possession of the passenger, this Limousine Company, reserves the right to terminate service immediately. No refund will be given. Our obligation will be limited to assuring that a parent or guardian has been contacted and the limousine will not leave until a parent or guardian has arrived. An emergency contact number must be provided by the parent or guardian. After exiting the limousine for any reason such as attending the prom, a club or boat, etc., and upon the student(s) return, if the driver feels the student(s) are in a condition that he/she feels is dangerous to themselves, the safety of the passengers, or the the vehicle itself, the above right to terminate shall apply.

SICKNESS: If a passenger gets sick in the limousine, there is a cleaning fee of \$150. This is payable in cash at the completion of trip.

ABUSE: Abusive treatment toward our chauffeurs will not be tolerated. If there is any such treatment, the parent or guardian will be contacted and arrangements will be made to either continue or terminate the limousine.

INSPECTION: Parents or guardians have the right to inspect the limousine upon its arrival. The limousine company reserves the right to ask that any "suspicious bags" be opened by the owner of the bag to be seen by chauffeur. Upon final drop-off, the chauffeur will inspect the limousine. Any damages will be noted and acknowledged by the client. All costs for repairs or replacement will be the responsibility of the client.

We all want everyone to have a great time, and we have found that if everyone understands the rules before the night starts, there are fewer problems as the night continues. As a LI Limousine Association Member, it is our understanding that prom bound students can enjoy prom night, without the use of mind altering drugs or alcohol. The LI Limousine Association is not a party to any contract entered into between a member company and its customer, holding no liability between the two parties.

Thank you for understanding.
